Keys points:

He gives us power to live radically different

He gives us power to make bold requests

He gives us power to share our testimony

### **Optional Weekly Questions:**

- Did anyone have a story from the week that you wanted to share on how you lived out what you learned this last week?
- What is one thing that stood out to you from Sunday?
- How will you live differently because of what you were taught Sunday?
- What is one thing Jordan shared on Sunday that you would like to look into more this coming week?

### **Optional Sermon Specific Questions:**

- Who is someone in your life who you think lives radically different than culture and why?
- Of the three ways the Spirit fills us with power for witness which do you think you succeed at and which do you think needs some work?
  - Living radically different
  - Making bold requests
  - Sharing your testimony
- If our testimony is talking about what we have seen and heard Jesus do in our lives. Tell us about a time in the last two years where you have experienced Jesus working in you and around. How could you make this a shareable testimony?
- If it is true that we get filled with the power of the Holy Spirit and then we leak slowly. What spiritual practices do our lives need to remain continually filled?

### **Important discussion topic about your group.**

- Will we continue meeting as a group?
- If we will not be leading again is there anyone from the group who would like to continue and take over leadership?

### **Prayer time:**

- Take some time to pray together. Pray that each of us would be filled with the Spirit and receive power to be Jesus' witnesses.
